The True Story of Smokey Bear

WORKSHEET-1

Read the passage and answer the following questions:

All About Bears

There are many kinds of bears. Some bears live in warm places, like sun bears. Some bears live in cold places, like polar bears. Bears are different colors too. They can be white, brown or black. Some bears eat plants, some bears eat animals.

Bears have long snouts, or noses. They have claws and fur, too. Baby bears are called Cubs.

When it gets cold, bears sleep in dens for the winter. Dens can be in trees or caves, when they are sleeping all winter it is called hibernating. Bears do not eat when they are hibernating.

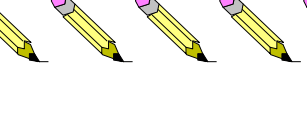

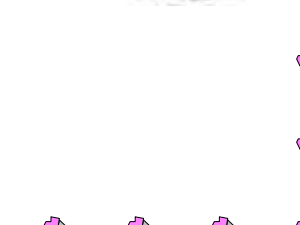

Answer the questions:

- 1) Do all bears live in warm places?
- 2) How are sun bears and polar bears different?
- 3) What does hibernating mean?
- 4) What is a baby bear called?
