cub

B. LIBRARY ACTIVITY

Some people have a hobby of reading newspaper. Read today's English newspaper and paste a cut out of an interesting news and write 5 difficult words that you find in the newspaper.

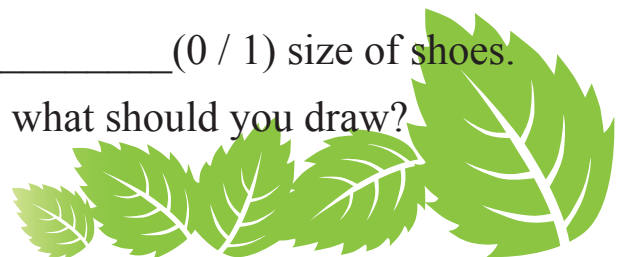

C. CAMBRIDGE ACTIVITY:

Tina is a baby. We drew around Tina's foot every month. Is she growing? She has shoes of sizes 0, 1.

 1 month old	 2 months old	 3 months old	<div></div> 4 months old
--	---	--	-----------------------------

1. Is the foot print becoming _____(big / small) every month?
2. Draw the foot print of Tina when she is 4 months old.
3. What size of shoes would she require when she is 1 month old? _____
(0 / 1).
4. When she is 4 months old, she will require _____(0 / 1) size of shoes.
5. If you want to see whether her hands are growing, what should you draw?
(foot print / hand print)

D. LAB ACTIVITY:

Life cycle of chicken

E. ONLINE ACTIVITY:

<https://www.youtube.com/watch?v=mQ0MWFe4gs0>

Draw and colour a picture of yourself sitting on the magic carpet and flying in the sky.
